

Thank you for your interest in the *Talking Business - Business Support* programme, which is fully funded by the UK Shared Prosperity Fund. Please register here: <https://bit.ly/45Um9W6>

As part of the programme, we can provide you with:

- Free 1-2-1 business support to help you grow and develop your business with our in-house experts, with gateway support to the services provided by other partners
- Additional support with the following templates, if required:
 1. Mini business plan using Business Model Canvas
 2. Digital Marketing Strategy
 3. Funding Your Business
 4. Getting Your Business Online
- Access to 5 planning webinars:
 1. Cyber Security Basics: Protecting Your Business
 2. Funding & Support for Your Business
 3. Developing a Digital Marketing Strategy for Your Business
 4. Support for Women-Led Businesses
 5. AI for Beginners
- Access to the CNT YouTube channel. We have a range of business development presentations already on it and will be adding more as the programme progresses. See this link: <https://www.youtube.com/@cntassociates8714>
- Plus access to the services of other partners, including digital skills training and other business support
- Access to Bexley Linkup (Blink), a free network for Bexley businesses that we co-founded with other local businesses - <https://bexleylinkup.co.uk/>
- Online portal where you can find further information, resources and useful links.

Eligibility

To be eligible to participate in the programme:

- Businesses must be in Bexley (head offices can be elsewhere but they must be trading in Bexley)
- Businesses must be a small to medium sized enterprise (SME).

For more information, please contact info@cntassociates.com.
